

FACTS FOR THOSE ATTENDING PHM's "A NIGHT FOR ISRAEL"

We are gathered here outside of this event to provide you with a few facts about the Palestine Occupation and about the reasons why the United States has been engaged in continuous wars in the Middle East since January 21, 1991. These wars, in addition to causing countless, violent deaths and the current refugee disaster we see on national news, have resulted in several trillions of dollars of new US debt, which will never be repaid. We want to remind you of Jesus' living message, "BLESSED ARE THE PEACEMAKERS, FOR THEY SHALL BE CALLED THE CHILDREN OF GOD."

Jesus' love is unconditional, for all mankind, regardless of race. He loves both Israelis and Palestinians (Philistines of the Old Testament). He even loved the corrupted and violent Pharisees who arranged His murder! God's love is not based upon ethnic descent, but rather upon the grace of Christ alone, as proclaimed in the Gospel. Have you heard about the more than 2,100 murdered residents of Gaza--nearly 600 of them children--who were incinerated and buried in the dirt and concrete of their homes only last year?

Israeli apologists called this annihilation **Operation Protective Edge**. This Gaza destruction has left tens of thousands of Philistines still homeless a year later, internal refugees who are not allowed to leave the area even if they want to.

Do you know about the Israeli Knesset members who are publicly on record as wanting to open the walls around Gaza to drive all 1 1/2 million resident Philistines into the Egyptian desert on foot?

Those who truly follow Christ know that Jesus is about love and peace. We pray you will hear this message, in which we are joined here tonight by other pro-peace groups. May God open your ears!
